TROPICAL CHIC

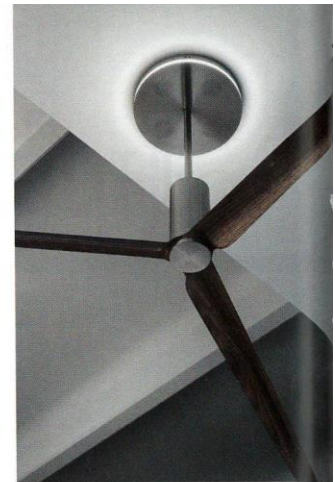

by Elisabetta Romano

IT'S SUMMERTIME! IT'S TIME TO LIVE THE OUTDOORS AND TO DEDICATE YOURSELF TO SMALL MOMENTS OF PURE RELAXATION. TO FORGET THE INTENSE WARM, WHAT IS BETTER THAN DREAMING ABOUT THE TROPICS WITH A REFRESHING DRINK IN YOUR HAND?

LUXURY Based on Hästens' iconic horse insignia, the new **Grand Vividus** combines classic and timeless design with Ferris Rafauli's signature style. A collection of beds that beautifully embodies quality and design..

FANCY CEA's **Ariachiara** ceiling fan, designed by Natalino Malasorti, combines multiple new functions with air stratification: air purification, lighting, and music. The blades are made of carbon fiber and wood.

O

TRADITIONAL The collection of Japanese **Uchiwa fans** proposed by Nanban transports back in time. Made according to tradition in washi paper with bamboo handle, they are not only elegant but, above all, functional.

OLD-FASHIONED **Shield** is a very classy screen with a slightly vintage flavor. Designed by Pietro Russo for Gallotti&Radice, it consists of four curved modules in walnut inlaid wood and Tanganika White Frisé interior..
